Basant Vihar, Indore-452010

Madhya Pradesh

To Whomsoever It May Concern

Dear Sir/Madam,

M/s Pickrenew Energy Private Limited, Indore (M.P.) has installed **2000 KW** solar power project at our Haveri, Hubli plant (Karnataka) and **1050 KW** solar project in Uttarakhand plant for us. They have done both the project on turnkey basis and complete the project with quality. They have proved to be significantly trustworthy and efficient service provider.

Now, our almost 50% load is based on green energy solar power plant to generate green eco-friendly power and helps in reduction of carbon emission & greenhouse gases thereby contributing to environment.

We appreciate for overall work to **M/s Pickrenew Energy Private Limited** for consistently been a strong team player and extremely professional in their project execution

Thanking you,
For Gujarat Ambuja Exports Limited
